Shannon:

The language still has :development up to" can you make the change to reflect "a maximum of" as previously noted in other documents?

Subject: Downtown West: Draft 2nd NOD

Hi All,

Please refer to the attached draft NOD for City Council's second reading of the project next week. Note that the only changes were removing the proposed actions that were slated for approval at the 5/25 City Council hearing and changing the introduction for the 2nd set of actions slated for consent on 6/8.

Best,
