## Driving and Parking

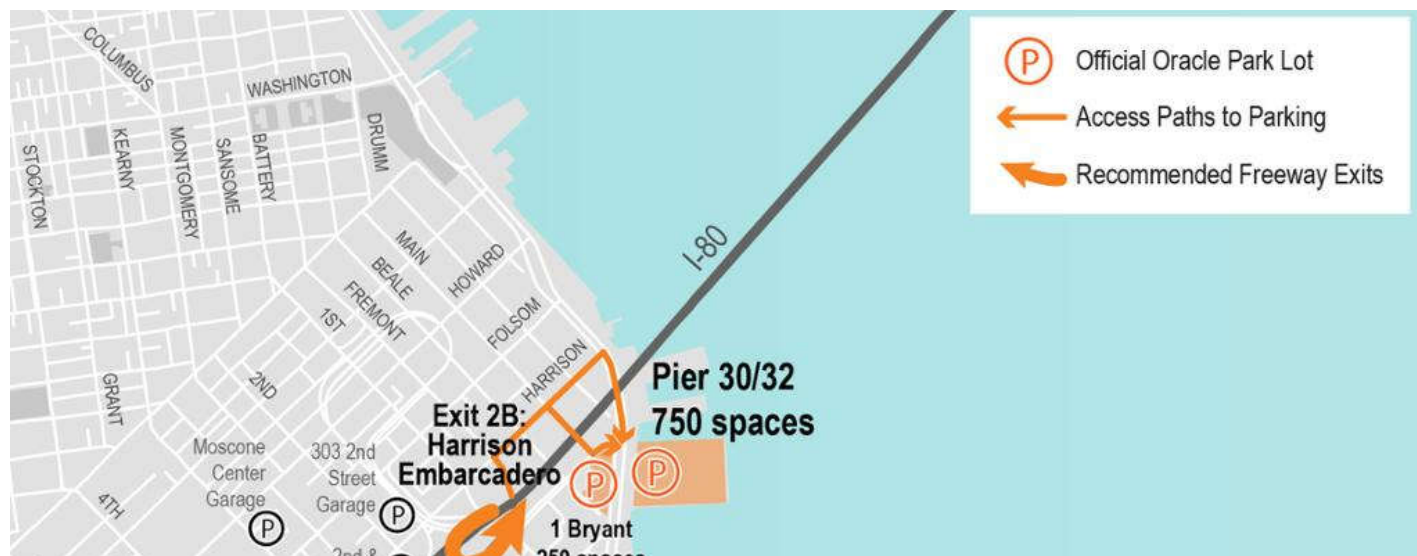

### Coming by Car to Oracle Park

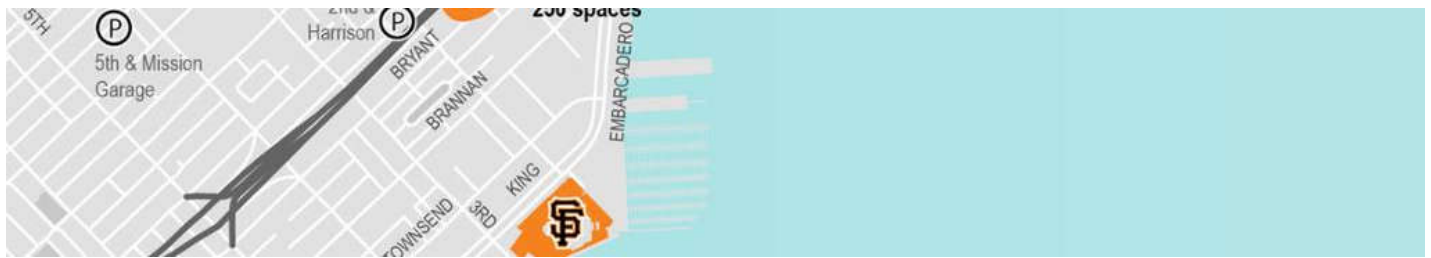

We welcome fans from across the region in Oracle Park's official parking lots, just across McCovey Cove from the ballpark and just up the Embarcadero at Pier 30/32.

As in any major city, roads can get congested, especially during commute periods. As such, it is best to plan ahead when you drive - identify where you plan to park and map out your route.

## Accessible Parking Services

## ADA-Accessible Parking

ADA-accessible parking (for those with state-issued blue hang-tags) is located in the northern part of Lot A and in front of Pier 48.

### **\*COMING IN LATE APRIL\*** **Parking Accessibility Shuttle**

Starting in late April, our new parking accessibility shuttle will be available for anyone who needs assistance getting from Lot A/Pier 48 to the ballpark. Check back for more info.

During our first homestand of the year, those needing assistance to reach the ballpark can request a shuttle by finding a parking lot staff member.

## Parking for Groups: Tailgates and Charter Buses

# TAILGATING

## Tailgating

### Large Groups

The Giants offer up to six large-group tailgating spots in front of Pier 48 and in Lot A, along Terry Francois Boulevard.

### Informal Tailgating

Tailgating is allowed in Lot A, Lot C, and One Bryant (not in Pier 48 or Pier 30/32). Guests must confine their tailgating to the space occupied by their vehicle. No adjacent spaces will be available for tailgating. Only charcoal BBQs are permitted and must be placed in an accessible area (i.e. not blocked by a vehicle).
