Dear Councilmember Cohen:

The [Downtown West](#) project team is looking forward to tomorrow's City Council vote regarding [Agenda Item 10.2](#). We know you're very busy so we pulled together a summary package of all the City Council letters that were shared with Google by organizations (i.e. SV Rising, Diridon Area Neighborhood Group, etc.) as well as a sampling of recent positive articles and quotes. We hope these attachments are helpful to you.

Thank you in advance for your consideration.

Best regards,  
Javier
