Hi Corey,

Thanks for the outreach and follow-up and apologies for the delay in response. City staff are leading an extensive community engagement process for the Google project, and they would be the most appropriate for you and HAC to engage.

The leads are Kim Welsh, deputy city manager, and Lori Severino in the Office of Economic Development. Mayor's office would be happy to join a conversation between HAC and City staff. [Lori.Severino@sanjoseca.gov](mailto:Lori.Severino@sanjoseca.gov) [Kim.Walsh@sanjoseca.gov](mailto:Kim.Walsh@sanjoseca.gov)

Thanks! Feel free to call me if you have any questions about the above.

Best,

Nathan

Hey Nathan,

Hope this email finds you well! I'm doing a listening/learning tour about the Google/Lendlease projects. Any chance you have time over the next few weeks to jump on a call and share some knowledge?

I'm hoping to ask things like:

What's your take on the process to date?

What do you know about the overall housing/job creation across all the projects?

How should/can HAC be plugging in?

Anything else I should know?

If you're available, [REDACTED]

Much thanks,  
Corey
