Hello!

My name is Sonya Herrera. I am a freelance reporter at San Jose Spotlight.

I am checking to see whether District 4 will be hosting its own community meeting regarding the Diridon Station Area Plan and the Google Downtown West project, similar to what District 3 is hosting tonight. Has District 4 organized a meeting on this topic?

Thank you so much for your time! Please feel free to call or text me at 408-991-2561.

Best,
